Director of Business Development
JOB DESCRIPTION

Overview:
We are proud to offer an exciting opportunity to join an organization that works at the intersection of economic development, workforce development, direct service, and advocacy in three of the most dynamic neighborhoods in New York City.

The Southwest Brooklyn Industrial Development Corporation (SBIDC) was founded in 1978 as a business membership organization to advocate for, and provide technical assistance to, small businesses in the working waterfront neighborhoods of Sunset Park, Red Hook and Gowanus.

In partnership with New York City agencies, SBIDC manages the Southwest Brooklyn Industrial Business Zone (IBZ), where we provide manufacturing and industrial businesses with essential services.
